

Town of Acton
Acceptance of Credit/Debit Cards Policy

The Town of Acton accepts credit and debit cards. Visa, MasterCard, American Express and Discover can be used for any service offered by the Town of Acton. Person's using any of these cards, as debit or credit, will be subject to a 2.5% handling fee. Transactions less than \$40.00 will be subject to a flat \$1.00 fee. This fee is collected by the processing company, and is not a revenue of the Town of Acton. The Town does not accept any payments over the phone. However, in the rare situations, that payment over the phone is an absolute must, the The Board of Selectmen may authorize the Town Administrator to make such a decision on a case to case basis.
