

## TOWN DEBIT CARD POLICY

The Town has approved the issuance of two debit cards; one in the name of the Treasurer and one in the name of the Office Manager/Deputy Treasurer. Both cards are kept in the safe until needed.

The balance in the bank account to which the debit card is attached shall maintain a minimum balance, until needed, equal to or less than TWENTY-FIVE DOLLARS. When a need for the debit card arises, the Office Manager shall request a transfer of funds from the Treasurer into the debit card account. The amount is based on the estimated cost of the purchase. For any purchases exceeding \$500.00, the Office Manager shall obtain signatures from TWO Selectmen authorizing use of the debit card (See Exhibit A) in advance. Purchases less than \$500.00 can be made by the Office Manager, without per-authorization by the Board of Selectmen. Upon receipt of the authorization the Treasurer will then transfer the funds into the debit card account. Following the purchase of the approved item(s), a Warrant Attachment will be included with the weekly warrant showing said purchase(s) and invoice for the Board of Selectmen to review. Excess funds that are not spent are transferred back into the Town's account.

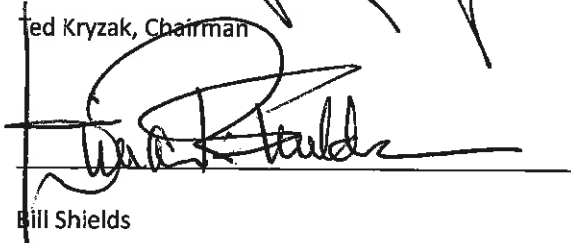

The issuing bank does not limit the amount that a debit card can be used for. However, Town policy requires the Board of Selectmen to obtain bids for any single purchase estimated to cost \$5,000 or more.
