

**TOWN OF ACTON
SELECTMEN'S MEETING
AUGUST 15, 2006**

1. PUBLIC FORUM: John Moore reported that the Comp Plan Implementation Committee has had copies of the plan made. Because of the high cost of printing, John asked if they may require a \$20 deposit for those wishing to read the plan. If they wish to purchase, it will be \$20. Selectmen will check with MMA to see if they can charge or if the material must be available for free for the public to read. Also, it was suggested that the plan be put on the web site so readers can download it. John said he understood there is to be a special Town Meeting called and he wished to know when. Nancy said they have not yet set a date.

Dick Neal asked if selectmen have started on the Annual Town Report. Nancy replied that the auditor is working on the records and they will probably be requesting department heads to submit their reports by Nov. 1.

Neal noted the State has replaced some culverts on the Milton Mills Road but little else has been done. Nancy said that selectmen have contacted the MDOT about the need for repair. Neal suggested selectmen put pressure on the MDOT and our State Representative and Senator to get this road done. Percy suggested a mass mailing from citizens and a request for a traffic count.

Romero asked why work has been done on the Buzzell Road and halted in the middle of the hill. Selectmen told him to contact Road Commissioner Bernard Yeaton. Possibly, it may be he has reached the Town Way line.
